Facilities:

YMCA Camp Timbers is a 300-acre camp and retreat facility located near West Branch, Michigan. The camp is beautifully situated on wooded, rolling terrain surrounding a 30-acre private lake. Over 4 miles of trails are available within camp's forests and fields, and adjacent state land and dirt county roads and ORV trails provide extensive options for varying the distance and difficulty of runs.

Training/Run Sessions:

Customize workouts specifically for your team, or collaborate with other coaches and teams at your discretion. Trail maps and suggestions for various mileages of wooded camp trails, dirt/gravel roads, ORV trails, and paved county roads will be provided. The camp culminates with a camp-marked, coach-timed 5k Trail Run.

Camp Activities:

Camp activities include our "best-of-camp" adventure activities: zip lines, climbing tower, high ropes course, giant swing, kayaking/paddle-boarding, and more. A team-based challenge course is available by request.

Lodging and Meals:

Lodging will be team-based and gender-based in our 14-bunk cabins. At least one coach or chaperone (18+ years old) must be present for overnight supervision in each cabin. Two bathhouses, new in 2018, are available within short walking distance of cabins. Buffet-style meals are included in the cost of camp.

Cost:

The cost includes all lodging, meals, and camp activities. One coach or adult chaperone per 10 students is complementary; additional adults cost \$25 per day for meals and lodging.

More Information and Reservations:

To learn more, schedule a tour, or reserve cabins for your team, contact Morgan Betters, Program Director, at MBetters@SaginawYMCA.org or 989-345-2630.
